

Unser Unternehmen

Thank you for your interest in Contovista!

Please tell us something about yourself and how you would like to add to our success. Please also attach your CV and we will be in touch with you as soon as possible!

General Application 50-100%

Who we are looking for:

- We are looking for people who are able to help us deliver products from concept to launch. You should demonstrate your communication skill, structural thinking, and collaboration skills with various teams

- You should have a minimum of 3 years of work experience in your area of expertise and a university degree or equivalent
- We desire to hire people with Technical affinity (experience in tech product development, general familiarity with modern tech stacks, understanding tech limitations)
- At Contovista, you will experience open communication, we are honest and respectful with one another

What we offer:

- Forget 9 to 5! We offer flexible working hours with the option to work partially remote
- An attractive modern workspace with areas to work together, eat together or find a bit of silence to focus
- A kitchen stacked with fruits, snacks and drinks
- A competitive insurance package including a good pension and a private accident insurance
- Regular team events, TGIF's, ski events and summer parties
- And much more, we look forward to meeting you!

Was dich erwartet

- Angenehme Arbeitsatmosphäre
- Ein modernes Büro im Herzen der Stadt
- Arbeitsplatz mit Apple oder Windows ausgestattet, du hast die Wahl
- Erfolgsentscheidende Position in einem innovativen, jungen und international agierendem Unternehmen
- Interessantes und abwechslungsreiches Aufgabengebiet in einem kreativen Team
- Weitere Benefits wie einen Tischfußballtisch im Office, Softdrinks, Kaffee werden bei uns groß geschrieben
